**Certificate
of
the Academic Year Arrangement of XJTU Honors Youth Program**

To whom it may concern:

This is to certify that the academic years of XJTU Honors Youth Program includes three stages: pre-university education, undergraduate education and graduate education.

- The pre-university education lasts two years. The first-year education is conducted respectively by three high schools: The High School affiliated to XJTU, Tianjin Nankai High School and Suzhou High School-SIP. The qualified students will get the corresponding high school diploma. The second-year education is conducted by XJTU.
- At the end of the pre-university education, the qualified students will matriculate at XJTU for undergraduate education without the admission examination.
- At the end of the undergraduate education, the qualified students will matriculate in the graduate school at XJTU or will be recommended to the graduate school at other universities without the admission examination.
